SERVICEMAN'S CORNER

Dear Reeces:

Well, hi--kiddces! I got the BYLINE again. Thanks a million for putting my letters in the paper. I really think you are swell! (Please excuse the writing--I am writing fast!)

Well, thanks again. You are so right---"Our friendship will never be forget"--from the song of the same name!

Your pal,

CPL. JIM CROWLEY.

****

Well, what do you know? ---Eddie Maxwell is rumored over in Austria at the present time----and we hear that Porky Hatch, Clyde Wakelee, John Zggraggen, and Buck Miles are all overseas. Haven't heard from any of them--so don't know for sure. Haven't heard from Howard Green, either--although his folks told me he was shipped out some time ago. And Jim Rice is rumored overseas, too. Then there's Art Hutchinson, and Keith Johnson, and the May brothers, and many others. Have you ever stopped to think just how many of our boys are thousands of miles away from home--and through no fault of their own? And what about the poor scared kids going through "Boot-Camp", as they call it? Some of them so young they should be in school yet----but some of them were at loose ends---and this training will do them a world of good. Seems like more of us here at home could be doing something to show our kids that we're in the fight, too. How about some more volunteers for Civil Defense? Could use a lot more volunteer police--volunteer firemen--nurses--first aid instructors--and a whole passel of just plain WORKERS. You don't HAVE to be a college graduate, just to HELP, you know. And those kids of ours over there would feel a heck of a lot better if they knew their friends and families were backing them up with every ounce of elbow grease they had in them! Heroes are made--not born, you know! And some of the biggest heroes we've ever had in these United States never did get their names in print--and were never handed a medal for what they did. But what they are getting in personal satisfaction, you couldn't buy for a million dollars! Think it over, poople. There's a war going on---right here in our own back yards!

---YE EDITOR.

NEW BRISBANE RESIDENT:

Mr. and Mrs. Joe Reeves, of 173 San Bruno Avenue--a son, on January 25th.

FOR THE BOOKWORM

DEAR READERS: This time I've got a jim-dandy to review for you! Gosh, how I hated to run out of pages at the end of the book---I kept hoping it would go on forever! The book I've just finished reading is "FLOODTIDE" by Frank Yerby. All of you who have read the other Yerby novels won't be disappointed in this one. His FOXES OF HARROW--THE VIXENS--THE GOLDEN HAWK--and PRIDE'S CASTLE--were all romantic tales, mostly in the era when the "Slave" question was the biggest thorn in the side of the Southern states. In this one, "Floodtide", the question is brought up before the Civil War--just when the first rumblings were being heard below the Mason-Dixon Line. Most of this story involves Ross Pary in the Cuban revolt--through his love for the Spanish dancer Conchita. It is in Cuba that Ross learns the meaning of being a slave, instead of owning one. He comes home to his own newly acquired estates, and incurs the wrath of his friends and neighbors by turning free his own slaves. Ross's affair with not-so-nice Morgan Brittany, his best friend's wife---and his marriage and seperation from freckle-faced Cathy Linton keep the ROMANCE at a rapid-fire pace. But it's Conchita that Ross dreams of at night---and it's Conchita who keeps him thinking about the real meaning of the word FREEDOM. A must for the Yerby readers---and who isn't????

RECIPE' FOR PEACE---

Think as much of your neighbor
as you do of yourself.
Pray as much for your wisdom,
as you do for your health.
Fight as hard for the peace-times
as you do for the war--
And give thanks to God
That you are---as you are!

ANNUAL BLUE & GOLD DINNER:

Cub Pack #134 will hold it's annual BLUE & GOLD DINNER at the schoolhouse on Sunday, February 11th, at 2 p.m. All parents and families of Cubs are urged to attend, bringing their own silverware and cups. There will be movies, fun, and entertainment for all. The planned menu includes Baked Ham, Meat-Loaf, Baked Beans, Sweet Potatoes, Green Salads, Ice Cream, Cakes, cookies, coffee, and milk.

At the January Cub Pack meeting, held on the last Friday in January, a farewell was regretfully said to Bud Soward who has resigned his position as acting cubmaster. George Brady, Committee-man, will take over until a Cubmaster is found for the local pack. The cubs will sorely miss not having the leadership of Bud Soward, but a capable substitute is found in Geo. Brady, who received his five-year pin at this meeting. Also receiving a pin (for two years service) was Arlene Peuschel, Den Mother. Many awards were presented to cubs who had earned them--the most outstanding of which was Alan Fitting, who received his Wolf Badge, a Gold arrow, and five Silver arrows.

QUONSET HUT DESTROYED IN FIRE:

A quonset hut used for storing bldg. materials was gutted by fire here last week, and the owner charged that arsonists were reponsible. According to the county forest service, the fire started in the center of the 20 by 36 foot structure located east of Bayshore Hiway at Brisbane. Preston Barnes, owner, estimated the loss at between $4000 and $5000. He told Deputy Sheriff Jack Hosford that there were no gas or electricity connections in the building. He said there was no insurance on the building. The Brisbane Fire Dept. brought the flames under control, and called the forest service, which dispatched a 1000-gallon tank truck.

BRISBANE P.-T.A.:

The Brisbane PTA has taken the lead in initiating a series of measures to promote the health of the community's children. It announced recently that an immunization program will be entirely financed by the PTA with the aim of having every student here receive immunizations which they have not previously received. Mrs. Roy Edwards, PTA unit president, pointed out that consent of a childIs parents will be necessary for the student to receive the immuni$_z$ation. The unit will defray all costs in connection with the program which will include purchasing vaccines and for the services of a physician. This is in addition to the support the unit gives the well-baby clinic here.

The PTA will also help in the purchase of a deep freeze unit for the school cafeteria. The deep freeze will provide storage space for food purchased at low cost under the National School Lunch Program.

Another step which the Brisbane PTA is taking immediately to promote a better knowledge of health and to support the civil defense preparations, is the sponsoring of a first aid and home nursing class. Volunteers are requested to register with Mrs. Roy Edwards, president.

FIRST BAPTIST CHURCH NEWS:

The Book of Revelation will be the subject of a forthcoming series of Sunday evening Bible studies at the First Baptist Church, the Pastor, Rev. R.S. Beal, Jr., announced recently. While the book, the last in the Bible, is a book of mystery to most people, Rev. Beal declared that it is actually intended to reveal the purposes and plans of God for days that are shortly to come, being prophetic of the "great tribulation" to come upon the earth just before the personal return of Christ. Many of the events of the book are being foreshadowed in the troubled days now engulfing the world. The services will begin at 7:45 p.m.; and the series will continue for eight Sunday nights. The public is most cordially invited to attend.

WATER FIRM CHARGES COERCION:

Refuting charges made by the Brisbane County Water District that it would not set a fair price on its holdings, the Visitacion City Water Company recently issued a counter charge that devious means are being employed to force the sale. Ted Dahler, water district president, had reported that of 284 water users approached, 220 had signed for service with the new district organization. In answer to this, Atty. F.E.Hoffman, of San Mateo, representing T. Lindy of Brisbane, owner of the Visitacion company, said that the system operated by the Lindys has over 400 consumers and "many of these have reported that signatures were obtained for the new system thru misrepresentation and coercion. I have reviewed the application form which was circulated for signatures and have advised Mr. Lindy that the same is illegal and cannot, under any circumstances be upheld if an attempt should be made to enforce it." A suit in condemnation, filed by the Brisbane Water Company to acquire the Vis. firm, awaits hearing. Hoffman intimated that his clients may give consideration to attacking the legality of legislative action which allowed the new dist. to be formed by a majority vote. (from the ADVANCE).

DID YOU KNOW:

that a series of Youth Meetings were held last week at the Nazarene Church of Brisbane? That there were two outstanding leaders--that "Herb Seals" was speaker, and is famous for thousands of miles of hitch-hiking; that "Hartley Postelthwaite", a musician, played several instruments, such as saxophone, clarinet, guitar, and harmonica? And that there were several others who took part in the singing, playing, and so forth? That Friday night of last week was enjoyed mostly by the youth of Brisbane, as it was called "crazy" night, and that Hartley played the saxophone without a saxophone, and played the harmonica in a bowl? That Herb dramatized a Bible story which kept the youths sitting on the edge of their seats--namely, "David and Goliath"? That last Sunday closed the meetings with Hartley bringing both messages and playing for us, and that we were pleased to have Mrs. Beth Duncan at the piano for this last service? That we were happy to see so many young people out to these meetings, and for some of the decisions that were made for Christ?

BRISBANE PTA CELEBRATES IT'S 19TH BIRTHDAY:

The Brisbane Parent-Teacher Association can put 19 candles on it's anniversary cake today. (Friday, Feb. 9).

The unit was organized Feb. 9, 1932, with 22 members. During it's first year, the unit started serving lunches to students, created a milk fund, arranged for dental work through the district PTA, purchased shoes and clothing for needy children, conducted an Easter egg hunt for 200 children, and financed installation of a hydrant at the school.

Since then, it has year by year increased the scope of it's work for the betterment of school children and youngsters in general, according to Mrs. Roy Edwards, president of the Unit.

Among the first officers still in Brisbane are Mrs. Anita Lummus, Mrs. Clare Coffin, and Mrs. Fred Schmidt Sr. Natalie Lipman, present school superintendent, acted as secretary. Fire Chief Lou Terry was one of the charter members.

****

The Brisbane seventh grade girls' team lost to Northbrae by a score of 30 to 6. Brisbane had no chance at all--the Northbrae girls were all larger than our local team.

****

Brisbane's eighth grade girls also lost to the Northbraw team by the score of 8 to 6. There were very few scores during the game, not to mention the one "over-time" period. Norma Simmons and Darlene Parazzo play both defensive and offensive games.

LOCAL BLOOD-DONORS:

Brisbane started participating in the Red Cross blood donor program last Tuesday when Mrs. J. H. Vickery of 555 Klamath Street, and Mrs. Fred Morst of 240 Sierra Point Road made the trip to the San Mateo County blood bank in San Mateo. Both of these ladies are "old hands" at donating. Mrs. Vickery has given 21 pints of blood and Mrs. Morst has donated 20 times.

There is a great need for blood for the armed services and a real appeal is made to Brisbanites to respond. Brisbane day at the Blood Bank is the first Tuesday of each month. Free transportation is provided. For appointment, call Mrs. Roy Edwards, at JU 5-7406.
